About JK Home Care

JK Home Care is a locally owned and operated home care company in Australia. Our professional and experienced care givers provide quality in-home care for seniors and disabled adults from the safety and comfort of their home.

At JK Home Care, we assess each of our clients' individual home care needs and match a care giver that fits perfectly. Whether your loved one needs assistance with household tasks, daily personal activities or assistance with travel and transport, our tailored home care services are provided in many settings. Every client receives extraordinary care in a comfortable environment with the most compassionate and professional care givers.

OUR MISSION

"Our mission is to provide the highest quality home care for seniors and disabled adults from the comfort of their own home."

OUR VALUES

Compassionate Care
Honesty and Integrity
Friendly Relationships
Quality Results

- Client Reviews -

“J K Home Care was my husband’s personal care provider. They went above and beyond to deliver the very best level of care. There is a genuineness in their services, that is rare and hard to find. Attention to detail in ensuring his comfort was of the highest standard. I highly recommended J K Home Care.”

- P C (Program Participant)

“J K Home Care is always willing to adjust the times of their services to fit in with my appointments and lifestyle. That is also much appreciated.”

- E B (Program Participant)
